

Accessible Information as Standard

Come to the launch of our new report into accessible information for people with sensory and learning disabilities.

6-8pm, Tuesday, 21 November,
Deafblind UK Conference Centre,
Cygnet Road, Peterborough PE7 8FD

- People with sensory and learning disabilities need better information and support when they use health and care services.
- Listen to some of their stories.
- Hear our recommendations for change.
- Find out what local health and care staff have said they will do to improve access to information.

Alternatively, come to our Board Meeting in public on
7-9pm, Wednesday, 15 November,
Meadows Community Centre, 1 St Catharine's Road,
Cambridge, CB4 3XJ.
